I would like to take this opportunity to thank you for the excellent service you have been providing our school since the beginning of the milk program four years ago.

The program was easy to implement and flawlessly initiated, allowing us to support parents in improving their child's lunchtime nutrition options. As well, it teaches our older students - who are in charge of distributing the milk on a daily basis - responsibility and accountability.

On behalf of the staff, students and parents of Académie de la Moraine, thank you for your help in supporting our school programs.

Sincerely,

Baher Morcos
Principal
